

ARMORGARD ADAPTAKART

**Take the Strain Out of
Loading, Lifting and
Transporting Large
Sheet Materials...**

Designed for large sheet materials, featuring a pivoting rack to hold and rotate boards through 90°, making them safer and less awkward to slide and load.

The SafeStop deadman braking system means greater control on slopes and while loading, with a 750kg load capacity and forklift pockets to make light work of large and heavy loads.
